AMENDMENT "F"

Honorable Commissioner for Patents
MS Patent, PO Box 1450
Alexandria, Virginia 22313-1450

This amendment is responsive to the Advisory Action dated June 9, 2006, in which Examiner states that the newly added claims filed on 5/24/06 include a limitation in which the crawl path is disjoint from the enclosure thereby creating an opening at the distal end of the crawl path which was not previously presented or considered and as such, would require further search and consideration, and the application is not in condition for allowance with respect to the arguments regarding Wilson in view of Earwood.

The applicant requests a Continued Examination (RCE) in compliance with 37 CFR §1.114. A cheque is enclosed with this letter to cover the reexamination processing fees under the Small Entity category, according to §1.17(e).

Appended below is a continuation of the arguments for the amended Claims filed on 5/24/06. The applicant appeals for reconsideration of the application under 37 CFR §1.114.
